FAMILY FUN AT PORT ARTHUR

School Holiday activities September-October 2012

In September and October our Education Centre at Port Arthur Historic Site will be buzzing with range of engaging and fun activities to keep kids busy. Enjoy the fun of interactive learning in a heritage environment.

These activities are available from **Saturday 8th September** to **Sunday 7th October**. They take about 20 minutes and will be available at 11am – 12noon or 12.30 – 2pm.

Access to the Education Centre is included in the cost of Site Entry. Our Family Pass offers great value for money, offering entry for two adults and up to six children under 18 years.

Convict Brick Making

As you walk around Port Arthur you may notice the bricks are of different colours and states of decay. There are reasons for this. Find out why and discover how to make a mini brick for yourself.

Fantascopes

Before televison, computers, hand-held game machines, the fantascope was invented. See how people entertained themselves at home in the 1800's and create a fantascope.

Activities take place in and around the Education Centre, formerly the Accountant's House, adjacent to the Church.

Wallpaper Printing

In 19thCentury designers were inspired by nature to make stencils and print wallpaper. Learn about creation of wallpaper and print some of your own to take home.

Clothes Peg Dolls

A child in the 1800s had to learn to entertain themselves with what was available. Learn about costume and toys for children in the 1800's make your own doll to take home.
