

# SATURDAY IS FAMILY DAY at Port Arthur this Spring!

*Saturday is Family Fun Day at Port Arthur this spring. As the days lengthen and the weather starts to warm, spring is a great time to get out and about and explore our amazing World Heritage-listed convict heritage.*

*We know that money is tight for families, so we have a very special offer to help you and your family enjoy a brilliant day or weekend at Port Arthur Historic Site and save some dollars.*

*Even better, we will have our most popular educational activities available to help you and your family gain some unique insights into the amazing stories and epic history of this incredible place, while having loads of fun.*

We are offering **TREE ENTRY!** accompanied by two adults (2 adults and up to six children under 18) on Saturdays from 24 September to 17 December. That's a saving of \$15 off our Family ticket price!

## CONVICT BRICK MAKING SATURDAYS 12NOON - 1.30PM

As you walk around Port Arthur you may notice the bricks are in different states of decay and are different colours. There are reasons for this. Find out what these are and discover how they were made, by making your own mini brick to take home. (Please note that brick making is an outdoor activity; in the event of wet weather, an alternative indoor activity may be offered.)

## PEG DOLL MAKING SATURDAYS 2 - 3PM

A child in the 1800s had to learn to entertain themselves with what was available. Learn about costume and toys for children in the 1800's and make your own doll to take home!

### How to participate

Access to the Education Centre is included in the cost of Site Entry. No bookings are necessary – just make your way to Port Arthur and there will be signage from the Visitor Centre. *Children must be accompanied by an adult at all times.*

Visit [www.portarthur.org.au/families](http://www.portarthur.org.au/families) for more ideas to help plan and enjoy a great family visit to Port Arthur.
